## INFOS

**Véronique Sanson** is one of the most famous French pop oriented female singer, songwriter, and composer of the 80s. She began her career in the 70s, and was the girlfriend of genius composer Michel Berger. Her world turned upside down when she met Stephen Stills of Crosby Stills & Nash. One Day, during a recording session in Paris, she left the studio pretending to go buy cigarettes, but never came back... She flew overnight to the USA, where she married Stephen Stills. In LA, she records new music with superstar composers such as Ray Parker JR and Harvey Mason. "**Bernard's Song**", produced in 1976, was the first single of the double gold album *Hollywood*.

**Funky French League** is an intergenerational collective (based in Paris) formed by **Young Pulse** (Gamm) , **Dabeull** (Roche Musique), **Arthur Chaps**, **Woody Braun** (Malka Family), **Mr Willy**, **DJ Asko** et **Uncle T** (Groove Deluxe). All coming from different universe from hip-hop, to electronic music, but united by their love for the groove and the funk.
