## INFOS

Diggin Deeper brings the funk with a Trans-Atlantic split EP from two edit masters.

Side A features Philadelphia disco don **Michael The Lion**, who has earned raves for his work on **Soul Clap**, **Razor-N-Tape** and **Giant Cuts**. His "Keep On Hangin' On" is a raw take on the classic "French touch" style - live vibraphone and bass elements to give a jolt of energy to a loft classic. With "Finally", Michael brings some nasty boogie funk with a groove that will give you the gas face.

Side B showcases two tracks from Frenchman **Jay Airiness**, best known as half of the Parisian disco band **Venice Beach**. On "Funky Situation," Jay brings some oomph to a disco jazz groove that sails along. But Jay's touch is most evident on "Two of Us", a boogie-house banger that has made its way into a lot of well-connected DJs sets recently.

This 12" has four, diverse joints which can be dropped in different phases of an all-night party - a DJ's best friend!
