INFOS

Mister Modo & Ugly Mac Beer are back for a second volume of the "Instrumental Beats" vinyl series, initiated last year by the tireless crate-diggers Parisian duo.

Known for their crazy universe, deep passion for vinyls, old-school beats, and weird movies soundtracks, the two great DJs and producer have selected some fine instrumentals from their own past catalog such as ***Modonut 1 & 2***, ***Remi Domost***, or ***Mo Dougly Weird Stories*** to name just a few... The package is also spiced with a few bonuses and exclusives!
