## **INFOS**

When **Beatsqueeze** offered me the opportunity to release a 7" with them, I instantly thought I should make the most out of the many Chinese samples I had saved for my *Chinoiseries* project.

This record includes many unused samples, drum breaks, sounds and other various samples on side A and side B is a proper DJ-tool (skipproof) made to scratch with.

Make your own *Chinoiseries* beat and then scratch on top of it, I thought that was a pretty cool idea!
