INFOS

Charles Maurice opens the “Remastered Series” for EDR Records, a new collection enlightening LPs’ hidden tracks, transforming it as real hits for dancefloors.

Recently acclaimed as a selector and digger for Favorite Recordings’ compilations, *French Disco Boogie Sounds* and *AOR Global Sounds*, the mysterious French DJ/Collector is also a fine producer and remixer, who understand perfectly what DJs look for.

For this new series on **EDR Records**, he also selected 4 rare and forgotten Disco gems in his collection, and reshaped it especially for DJs and dancers, in great versions fully restored and remastered for the occasion.
