## INFOS

Favorite Recordings proudly presents this new official album reissue of ***Dreamer of Life*** by Greg Yoder: A killer AOR private press LP infused with Folk, Jazz and Soul notes and maybe one of the best albums from the Hawaiian Scene in this style.

Originally from San Francisco, **Greg Yoder** moved to Hawai'i in the early seventies and after achieving some local fame in the Waikiki area, recorded this one-off LP in 1976 at Audissey Sound studios, in Honolulu. The music is smooth and soothing, mixing xylophones, percussions, sweet guitars and brilliant orchestrations. In short, *Dreamer of Life* is full of hidden hits and faultless from the first note to the last.

Following his various projects at Favorite Recordings, DJ and producer **Charles Maurice** recently unveiled this masterpiece by selecting the song "**Things Were So Easy**" on the ***AOR Global Sounds Vol.2*** compilation. And after the label contacted Greg Yoder about it, the idea of reissuing this amazing album quickly became obvious.

After its various compilations reissues over the past 2 years, **Favorite Recordings** is more than ever keen to enlighten rare-groove forgotten music and will quickly follow-up with great new full albums and compilations reissue projects in 2016.

Fully restored and remastered with great attention to sound quality, ***Dreamer of Life*** by **Greg Yoder** is presented in a deluxe vinyl version, housed in a tip-on jacket, as CD and in Digital versions.
