## INFOS

**Voilaaa** is one of the many projects led and produced by Bruno “**Patchworks**” Hovart, who’s proven over the past 15 years, his place amongst the finest producers of groove music in all genres.

This time exploring the wide spectrum of the African and Tropical Disco scene, he received a massive international support for Voilaaa’s first album, **On te l'avait dit**, released last year on **Favorite Recordings**.

With a second effort already planned for spring 2017, Voilaaa has not finished to feed international dancefloors with heavy Afro-Disco vibes.

If any would doubt that, here comes a hot remixes single package, which should end any debate about it, with **Dimitri From Paris** and **Africaine 808** at the control!!
