INFOS

Discover *Le Deltaplane*, fifth album by **Andre Solomko**, and third produced on **Favorite Recordings**, pursuing a collaboration that started more than 5 years ago.

Born in Ukraine in 1965 and now based in Finland, Andre Solomko is primarily a rich and engaging personality, but above all, a brilliant saxophonist, composer and engineer, whose contagious passion cannot leave anyone indifferent. After beginning a meteoric career in USSR, fate led him to Finland, where he started the adventure **Vinyl Jam**, a label / studio / group. It resulted in two self-produced albums that will capture the attention of some international collectors, including Pascal Rioux (founder of Favorite Recordings). Between 2012 and 2014, they released 2 albums together, ***Où es-tu maintenant ?*** and ***Le Polaroid***, hailed by many tastemakers and meeting notable success in Japan.

Following ***Le Premier Disco Sans Toi***, an acclaimed single released earlier this year and unveiling two new compositions with Disco flavors, Andre Solomko and Favorite Recordings also proudly present ***Le Deltaplane***. Fully composed and arranged by Andre Solomko, the 6 tracks of the album are deeply infused with his longtime passion for Jazz-Funk and Movie-Soundtracks, this time also injecting more influences from WestCoast and Modern-Soul music.

Andre's backed again by a team of great musicians, recording and producing the album in analog like he always did. As for vocals and lyrics, he teams up with **Charlotta Kerbs**, a young emerging and talented singer from Helsinki.

Andre Solomko, an artist who spreads love like in the good old days!
