### INFOS

Amazing Afro-beat album from a Fela Anikulapo Kuti's disciple. A sublime spiritual & political session recorded at Phonogram studio (Lagos, Nigeria) in 1979, on a 16 tracks.

After the critically acclaimed second album we're very proud to present the first and really hard to find vinyl reissue of **Kingsley Bucknor**. Also known as "King Bucknor" the famous Nigerian producer, arranger and singer delivered two brilliant, hypnotic and long traditional afro-beat tracks. All the ingredients of the afro-beat definition are here, killer drums, straight riff guitars, hypnotic bass, heavy horns chorus, strong political lyrics with beautiful melodies.

Ultra-Rare, unique, Essential!
