K. Frimpong was born on July 22nd, 1939 at Ofoase in the Ashanti - Akim district and entered right into music after elementary school by joining Star de Republic and later Oko's Band after which he left to K. Gyasy's band where he worked for more than 6 years. As a prolific songwriter and singer, here's the reissue of his amazing album, **a modern fusion of Hi- life and Soul**. The excellent background is given by the famous **Vis à Vis band**, composed with the help of the great **Collins Obiba Marfo**.
