## INFOS

Probably one of the hardest to find digital tune of all time. Recorded at King Jammy's studio, "**Old Pan Sound**" is a sound clash song recorded to bury any soundbwoy!

**Vernon Maytone** aka Vernon Buckley started singing from the tender age of fifteen and formed the groupe The Maytones in 1968 with his neighbour Gladstone Grant. The Maytones sucessfully made a string of hits, to name a few "Funny Man", "Loving Reggae", "Serious Love", "Africa We Want To Go".

The original press is so rare that we haven't seen any copy for sale since we announced this reissue.
