INFOS

The rare all female Top 40-Reggae band in Jamaica called "**PEP**", and then "WOW" for "Works Of Women" released a few tunes in the mid 80's, mainly on the High Heel label.

"**Crisis**" is a tune about poverty and the crisis that mash up all over the world in the early 80's. This is probably the hardest to find tune of the group. "Crisis" was produced by Fab 5 member Harold Bailey who tried to help the all-Female band in 1985.

Only a few boxes of copies were pressed and nowadays you can't find a clean copy for less than several hundred of euros.
