## **INFOS**

Ark Angel **Jah Mel** is a recording artist, songwriter and musician from Jamaica. Beginning his career as a performer on the stage shows of the Twelve Tribes Of Israel of which he has been a member since his youth, Jah Mel made his debut sharing the stage with artists such as Dennis Brown, Bob Marley, Freddie McGregor, Sugar Minott, Brigadier Jerry & Denroy Morgan. His writing credits include songs written for Marcia Griffiths, Cecile, DaVille, Itana & Jah Mali, for whom he also produced tracks on his debut album *El Shaddai*. Jah Mel has worked with all of Jamaica's top producers & musician in Jamaica such as the great Sly & Robbie, Steely & Cleevie, Earl Chinna Smith, Steve 'Lenky' Marsden & Donovan Germaine to who's Penthouse label Jahmel was signed.

**Jah Mel** sees himself as a musical bridge between the original reggae sound & the dancehall sound of today, representing what he calls the real dancehall revolution, merging the spirituality of the old school & the energy of the new school. "**Guiding Star**" and "**Stand Up To It**" are the perfect examples to overstand this definition. Both song were produced by **Roydale Anderson** aka Andy's. "Guding Star" will definitely give you thrills if you are into deep synth and heavy digital rhythm while the superb piano notes will warm you in the analog style. Beware of "Guiding Star" dub version called "**Guidance (Dance Mix)**" that will break any bunker. "**Stand Up To It**" rhythm is an adaptation of one of the most classic Jamaican riddim called "**Heavenless**". You will never know this riddim like before; This version takes the riddim to another level. A positive song with a bionic nuclear bomb dubwise! Play it loud, Jah is our guiding star!
