## INFOS

**Les Disques Magnétiques** is a new sub-label from **Les Disques Bongo Joe** presenting their first release with ***Ediacara***, by Ethyos 440.

Emerging from Geneva's underground scene, **Ethyos 440** is the meeting of groove band **L'éclair** and DJ/producer **Dj Laxxiste A.**

This ultimate late-night-infected-dub-live band pairs sequencers and human grooves, analog instruments are played live on riddims, fx's, and samples manually executed with a dub-mix approach towards the extreme.

This this brand new EP will fit perfectly for any party, any DJ set or any late night playlist.
