INFOS

Lamunai Records is proud to announce ***Philosophy Gang***, the 1st opus of the Indonesian master **Harry Roesli**, a sought-after Indonesian album, musically at the crossroads of psychedelic, soul and jazz, lightly tinted with exotic Indonesian sounds. Expect funky brutal drums, mad organ solos, fuzz guitar brilliantly mixed to softer sounds. Another gem finally reissued!

Political activist, a prominent member of the Tradisi Baru Movement (New Tradition) who emerged in the 1970s, Harry Roesli worked with musicians, poets, playwrights who were committed to experimenting with Indonesian traditional culture.
