## INFOS

First production of the label Sound Crack Records, “Organic Feeling (Tool Mix)” is a run through the jungle, savage, tribal, the raw nature animals of Mama earth bring the feeling of being in the middle of them, the TR08 add a kick to the efficient duo live drum **Fleury Saint Denis**. A real tool for house and techno DJ's to pump the energy to the top.

On the B side comes “Before Midnight (Evolution Mix)”. This techno track is a trip in the urban jungle, when the city sounds are coming out of nowhere, the melody of the steel tongue drum live played by **DJ GSD** is bringing the human vibration to heal the soul. An old school touch of Detroit techno, mix with a meaningful speech of Kennedy will take you travelling through the evolution of mankind.
