INFOS

Marrrtin, French DJ, producer, and half of the group **FUNKY BIJOU** presents *A Bunch of Funk*, a selection of 16 short but sharp tracks building on the artistic heritage of 70s Library music. Album created with several musicians from different countries, working together without ever seeing each other in a studio thanks to Marrrtin's unique production process.

Uptempo, Rhythmic, Brassy, Percussive, Lively and Dancing Vocal, Thematic Dramatic, Activ, Perky, Agressive, Riffy and Groovy: these are the words who can define this album.

Features apprences of: Medline, Felix from FUSIK (USA), Carla Vallet, Tchoubine Collin (Setenta, FR), Romain Baousson (Bikini Machine Drummer), Naufalle from AIWA (France / Irak), Deheb , Meriadeg (Stand High Patrol) and others...

All the Tracks have been played for the **RED BULL BC ONE** world final in Roma where Marrrtin was mixing.
