## Infos

French renowned reggae producer **Mato** is back with a new killer volume of the “Hip-Hop Reggae Series”.

**Stix Records** rounds up all recent Mato's 7inches anthems into this extended player, with all the cuts remastered for the occasion.

The Mato's touch?: Remixing the biggest Hip-Hop, R&B and Pop tunes with choice reggae backing tracks. As usual he's blended all of the tracks to perfection, and ready to rock any party.

As well as his recent top selling 7inches, which included hits such as “**Suit & Tie**” (Justin Timberlake), “**Happy**” (Pharrell Williams), “**Blurred Lines**” (Robin Thicke), or “**Love Never Felt So Good**” (Michael Jackson), this collection also includes four unreleased exclusive remixes: “**What's Golden**” by Jurassic 5, “**Fancy**” by Iggy Azalea, “**Drop That Naenae**” by We Are Toonz and the classic “**Rehab**” by Amy Winehouse.

Woop, woop, that's the perfect sound of reggae hip-hop ready to hit the dancefloors again!

This is definitely one you shouldn't miss!!!!
