INFOS

First ever LP reissue of this ultra-rare Italian soundtrack originally released on cult CAM label. **Gianni Marchetti** wrote this beautiful score for the Eurospy film ***Il Magnifico Tony Carrera*** as he was more of a songwriter than a film composer.

The score includes lots of different atmospheres and arrangements: from fuzzy dark psychedelic themes with harpsichord and haunted choirs (performed by the famous 4 + 4 di Nora O²randi) to angelic and dreamy vocal themes. Also contains some tense climax sitar tunes with beautiful bass sound.

Compared to the original CAM LP, this reissue dropped some carnivalesque tracks in order to include some nice unreleased variations of the themes, plus all the suspense cues that were largely removed from the original tracklisting.

Il Magnifico Tony Carrera is definitely a major score of the Italian Silver Age.

Limited Edition remastered from the original master tapes.
