## INFOS

The first reissue of the famous and long-awaited "Medley Maxi 45" by **Cortex**.

Originally released in 1979, this Medley is the perfect tool for DJs (Already played by MCDE at We Love Green Festival as the Final track...).

On B side the "Mary & Jeff (Fender Rhodes Version 77)" was released in 2010 on a very limited 7inch (TV003).

Never republished! Remastered from original tape by **Trad Vibe records**.
