## INFOS

Anglo-French binational **FLOX** has been sowing his “Nu-Reggae” seeds for years now in venues all around France, and a new genre has sprung up [sprouted ?], somewhere between roots reggae and electro.

Deeply influenced by the Jamaican Culture, from LKJ, to The Police, to the more contemporary Fat Freddy’s Dop, FLOX now delivers his 5th album: **HOMEGROWN.**

Even though the 4 past albums already perfectly comprised the richness and diversity of FLOX’s universe and personality, *Homegrown* takes us to a more intimate place, closer to his state of mind, revealing his endeavor to remain genuine regardless the cost, to follow his gut without compromise. More than a DIY production, *Homegrown* conveys a “do-it-for-yourself” message, in which the final more honest fruit is to be shared all around.
