INFOS

10TH ANNIVERSARY / FIRST ALBUM FOR THE FIRST TIME ON DOUBLE GATEFOLD VINYL

*“Just as Picasso said “I do not search, I find”, **Tribeqa** has this grace that cannot be commanded: the grace of finding. Their music is a gift. It is fresh and spontaneous, like all musical approaches based on emotional and intellectual honesty. I have been following this band for nearly 3 years. The encounter was extremely rewarding for me. I am calling upon all audiences to listen to their music and receive those vitamins of which they have the secret”*
