INFOS

Wan Chai Records is a Hong-Kong based label, specialized in rare Asian records and quality reissues.

After a few years of hard diggin' in Asia, meeting the artists and many local figures of the 60's, 70's and 80's Scene in Hong Kong, Singapore, and Taiwan, they wanted to share their best finds and put them together on vinyl with the best productions ever made in Soul-Jazz, Disco, Funk, Modern-Soul, and AOR.

The result is a selection of 10 totally unknown gems sung mostly in English and Cantonese with amazing covers of classics like "Lovin' You", "Make Me Believe In You", or "Hurt So Bad" in a nice Artwork Gatefold LP.
